Orientation Requirement for NONRESIDENT Moose Hunters

Units 21A and 21E - A nonresident hunter must have viewed the hunter orientation materials: "Is This Moose Legal" video and the "Field Care of Big Game" video and completed the quiz prior to hunting or must be accompanied in the field by an Alaska licensed guide. Videos are available at <http://hunt.alaska.gov> or at ADF&G offices. You may print the certification card online, or contact ADF&G at (907) 459-7206 to obtain your certification card; proof of certification must be carried in the field.

WING COLLECTIONS: Grouse and Ptarmigan Hunters

ADF&G is asking for your help in the collection of wings, tails, and heads from hunter harvested grouse and ptarmigan. These samples allow biologists to better understand sex and age structure of the harvest which is important for managing these valuable resources.

If you are interested in helping, please:

- Remove from each bird:
 - One clean and intact wing (grouse and ptarmigan),
 - Tail fan (ONLY grouse), head (ONLY ptarmigan)
- Place the wing and tail/head in a wing bag (available at your local ADF&G office) or other paper bag,
- Record approximate location and date of harvest on the bag, also include contact information if you would like the results of your samples returned,
- Wings can be taken to your nearest ADF&G office at your convenience OR mailed directly to:

Alaska Dept. of Fish and Game ATTN: Small Game Program 1801 S Margaret Dr, Ste 2 Palmer, AK 99645 (postage paid return envelopes also available at ADF&G offices)	OR	Alaska Dept. of Fish and Game ATTN: Small Game Program 1300 College Road Fairbanks, AK 99701
---	-----------	---
- The results of your samples will be returned to you quickly and a final report summarizing the status of small game will be sent to you or available online (<http://smallgame.adfg.alaska.gov>) by early summer for your review.

Your efforts will have a direct impact on understanding the fall harvest composition and age structure of these unique and valuable resources. Thank you!
